

Yeshiva Derech HaTorah Thirtieth Annual Dinner

Monday Evening, May 17, 2010

Yeshiva Derech HaTorah was founded as a traditional Yeshiva devoted to instilling the love of the Jewish people, Torah, and the Land of Israel in its students. The Yeshiva is unique in that Hebrew language instruction is an integral part of the Torah Studies curriculum and yet there is a total commitment to excellence in General Studies.

In thirty years, Yeshiva Derech HaTorah has become a major force in the field of Jewish education. In order to accommodate our rapidly growing student body, we must continue to expand. As we celebrate our 30th Annual Dinner, we are proud of the success of our newly established Yeshiva Derech HaTorah High School.
