Dear Friend,

I hope this message finds you well. I am reaching out on behalf of Yeshiva Derech HaTorah (YDH), to extend an invitation for you to partner with us in supporting our upcoming Shissel Challah fundraiser.

YDH has been dedicated to providing quality education rooted in Torah for four decades. With a strong blend of Torah and academics, our institution shapes the future leaders of our community.

The event will bring together over 200 families to perform the mitzvah of taking challah in the zechut of the hostages and IDF soldiers. Funds raised through this event will directly contribute to sustaining and enhancing our educational initiatives that include “Names not Numbers®,” the student library, Music, Art, Sports and STEM programs. Your sponsorship will align your brand with a yeshiva that has a proven track record of producing successful, well-rounded young men.

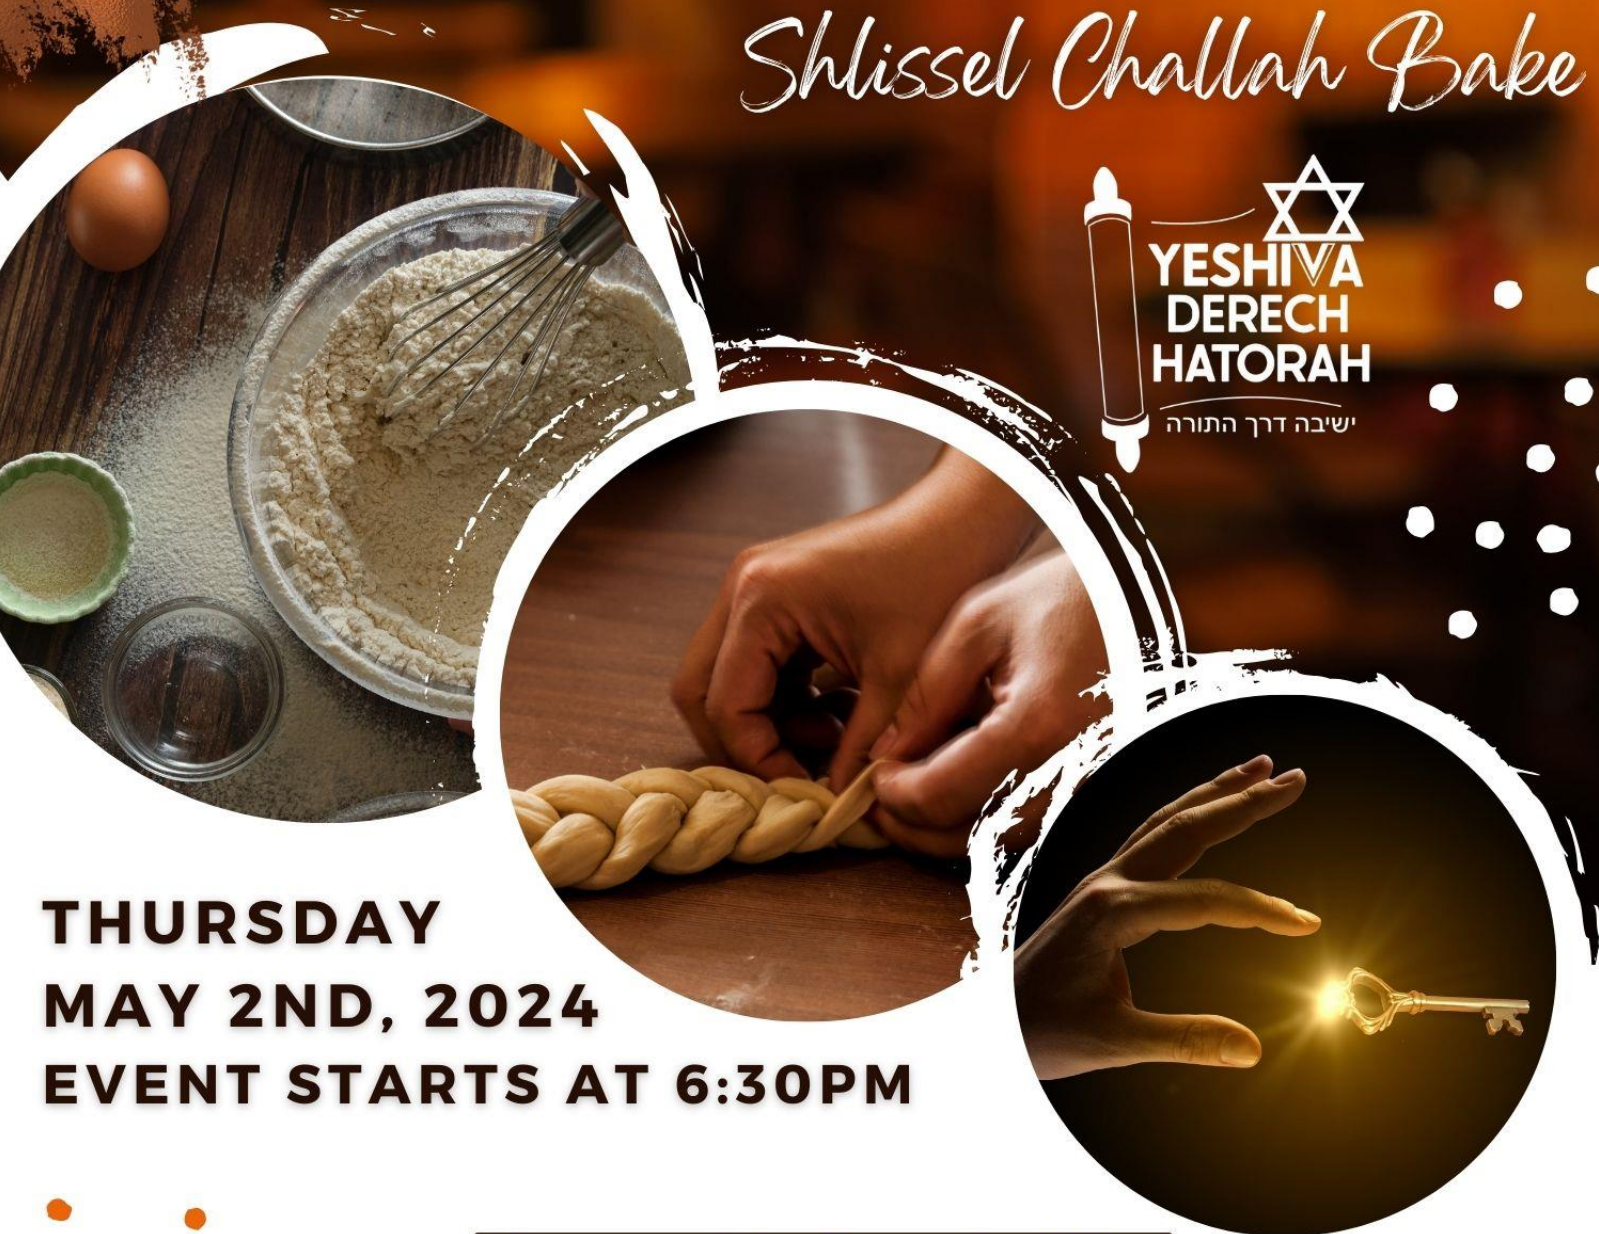

Thank you for considering our appeal. We are more than happy to discuss sponsorship opportunities further and provide any additional information you request.

Warm regards,

Joel Weisblum
Executive Director
