

A WAR WITHOUT WEAPONS: Hamas targeted farms. Now we're losing the land beneath our feet. **And most of us don't even know that it's happening.**

Yehuda Alon

Hear from Yehuda Alon;
Soldier, father, Shmitah-keeping leader in farming, and all around HERO.

Sunday, May 26 | 7:15 PM

Followed by Mincha

- **First-hand account of Oct 7 and beyond**
- **Video presentation from the front lines**
- **Learn why Hamas specifically targeted agriculture, and how this directly affects our borders in Israel!**
- **Engaging Q & A session**
- **What YOU need to know about this war that the media isn't telling you**

On October 7, Yehuda fought in Kibbutz Kfar Aza, then as a commander in Gaza for months. Back home, Yehuda's farm was on the verge of collapse. Under constant rocket attacks and with virtually no workers left, **farms across the country are failing** - and we are in dire danger of losing the land they are risking their lives to save.
