

# E2K at YDH 2022 /23

*Advanced Weekly Math Exploration for Highly Motivated Students!*

**Co-Presented by The Gruss Foundation and YDH For Motivated Students (Grades 6,7, & 8) Only!!!**

**Dear Jr. High Parents and Students:**

Yeshiva Derech HaTorah will, once again, participate in the **E2K (Excellence 2000's)** Math program for the 2022 / 23 academic year. **The Society for Excellence through Education (SEE)**, the founder and operator of the **Israel Arts and Science Academy**, has developed a unique inquiry-based curriculum which presents math in a way that arouses students' curiosity and increases their motivation to learn. Hands-on activities, teamwork, and solving problems in new ways, are emphasized to help students solve problems by "**Thinking Outside of The Box**". E2K teachers are supported by ongoing professional development in curricular aspects, as well as, in pertinent teaching methodology. Additionally, participating students often compete in virtual international competitions with other prestigious Yeshivot and Day Schools. At YDH, we are fortunate to have Mrs. D. Hacker, our amazing math teacher, present this awesome program.

The total fee for the **14 - SESSION program is \$185.00\***, (if paying by check, make it payable **to Mrs. Hacker...NOT YDH**). This fee includes all competitions, presentations, and required materials.

\*An **installment option of 3 payments is available**. If you prefer the installment plan, please prepare **1** check in the amount of **\$65.00** for the first installment - payable immediately (by 10/3/22), **the second installment of \$60.00 should be included as a post-dated check payable October 25, 2022, and the 3rd instalment of \$60.00 should be post-dated to November 15, 2022. Please submit all 3 checks** (1st installment and the 2 post-dated checks) by October 3, 2022.

**Please note the dates of the 14 consecutive Tuesday sessions: October 25 / Nov. 1, 15, 22, 30 / Dec. 13, 27 / Jan. 10, 31 / Feb. 7, 14, 21, 28 / March 14.** (As always, though unlikely, this schedule is subject to change,)

**IMPORTANT:**

Students participating in the program must be committed to the challenge and exhibit an interest in learning as well as independent thinking. In order for a student to succeed in the program, he must demonstrate his commitment in the following three ways: **1. Attendance** (no more than one absence allowed), **2. Performance** (reasonable achievement) **3. Conduct** (mature, non-disruptive behavior). If you accept these conditions, please read and sign the acknowledgment below.

Mr. Y. Goldstein  
Principal, G.S.

Mrs. D. Hacker  
Math Instructor

Date: \_\_\_\_\_

My son \_\_\_\_\_ in grade \_\_\_\_\_ has indicated an interest in participating in the **2022/23 E2K Math Program**. I understand that he must demonstrate his commitment as outlined in the last paragraph above. **Please enroll him in this prestigious project**. By signing below, I acknowledge having read and accepted all the requirements outlined above.

Enclosed, please find the...

Full payment of \$185... Of  \*3 installment payments as per instructions provided above.
