

YDH HISTORY DAY 2022
The Family Legacy & Artifacts Museum
INVITES PARENTS & FRIENDS

Yeshiva Derech HaTorah is proud to present our biennial **History Day Fair**. This year, History Day will be held on **Wednesday, February 23, 2022**. Our **Middle-School students (Grades 6 - 8)** have been working to complete historical research projects. At the fair, students will present historical papers, documents, artifacts, photographs or other tabletop exhibits that relate to the annual theme. This year's theme is, **The Family Legacy & Artifacts Museum**. We thank our parents for the courage and support in allowing their children to bring in valuable, fragile, and sentimental artifacts from your family's past!

In an effort to have each of our students connect with his family's ancient Jewish roots, his research will - no doubt - bring awareness and pride to both, the amazing variety, as well as, the incredible unity of the Jewish People and their traditions. We are also confident that the research will provide greater insights for our students of by-gone times and places and how Torah and its traditions played a major role in having his family become what it is today!

History Day brings together, students, teachers, parents, historians, and community members in the spirit of the verse, ***"Zchor yemot olam, binu shnot dor vador."*** - **Remember the days of Old; understand the years of the generations!**. We invite parents and friends of students at all grade levels to join us in celebrating history, its importance, and our students' effort and achievement!

The YDH Family Legacy & Artifacts Museum
commences at 2:30 PM
and ends at 4:00 PM.

Wednesday, February 23, 2022
Hoffman Auditorium
Thank You for Joining us!
