

Election season has begun at YDH !!!

Teachers in Grades 4 – 8 discussed the election season, the U.S. election model, and some of the pivotal issues of this particular election cycle. Students reportedly had an excellent grasp on many topics with their own takes and commentaries. Negatives on the candidates were intentionally minimized.

The results are:

Grade 4:	Trump = 20	Clinton = 4
Grade 5:	Trump = 15	Clinton = 6
Grade 6:	Trump = 17	Clinton = 2
Grade 7:	Trump = 24	Clinton = 2
Grade 8:	Trump = 17	Clinton = 3

Johnson = 1

Might this be a reflection of their parents' sentiments?
