

# YOM HASHOAH PROGRAM

Thursday, April 8<sup>th</sup>

8:00 PM on Zoom

## GUEST SPEAKER - INGE AUERBACHER

*Inge Auerbacher was born in Germany and spent three years, between 7-10 years of age, in the Terezin (Theresienstadt) concentration camp in Czechoslovakia, where out of 15,000 children, about 1 percent survived. Inge worked for over 38 years as a chemist with prominent scientists in research and clinical work. She has published six books and has been lecturing on the Holocaust since 1981, speaking to thousands of people all over the world.*

Inge at age 4

Special presentation by Pola Bradman, participation from students of Yeshiva Derech Hatorah, public memorialization of family members who perished, read by David Adonolem
