>>>**Revised** East 29th Street Dismissal Procedures<<<

In the interest of improving dismissal efficiency, the following guidelines have been **revised**! Our intention is to help make our East 29th St. dismissal as safe, neighbor friendly, and efficient as possible.

- **Preschool Classes will now begin dismissal – EARLIER - at 4:15 PM / 12:45 PM (Fri.). Please be prompt!** As you arrive, “park” your car against the right side of the road behind the last car arriving before you. **Be sure to never block driveways!!!**
- The **newly revised guideline** asks you to **“Leave your car and personally LINE-UP against the gate (in the order you arrived) - your back to Kings Highway, facing the Gate Door.”**
- Once you retrieve your child, and as soon as he/she is safely secured, please drive off immediately to help alleviate congestion and waiting time!
 - ❖ **Any changes in your child’s dismissal routine must be reported to the Yeshiva no later than 1:00 PM to be safely implemented!!!**

**WE ARE VERY GRATEFUL FOR YOUR ANTICIPATED
COOPERATION AND VALUED SUPPORT!**
